Look for what's NEW in 2022

Items that can be customized with a tournament, event or club logo. Ask your sales rep for more details, or call 800.456.2129

Warranty

Our products carry a one year limited warranty against defective workmanship and/or materials when used under normal conditions, & while using proper care. Any item may be discontinued without notice.

Returns

Please contact Customer Service at 800.456.2129 to request a Return Authorization. To ensure that your return is handled properly please make sure all boxes are clearly labeled with the Return Authorization # provided.

SEE WHY YOU'VE BEEN MISSING.

We passionately pursue advanced, innovative technologies that help golfers of all abilities find more enjoyment from the game. Our mission now extends to our new Sungear eyewear line – the **ONLY** sunglasses designed specifically for golf! Our new Sungear provides the visual performance and protection you would expect plus much more! Our technology and designs were developed with one fundamental goal in mind...to maximize your ability to read greens, make more putts and lower your scores!

P2X™ LENS TECHNOLOGY: HOW IT WORKS

- Contrary to conventional thinking, our lenses let in more *[of the right]* light than ordinary sunglasses.
- This results in better depth perception, which is especially helpful around the green when reading putts and chips.
- We added a polarizing filter to reduce glare, then added a green flash mirror to better manage confusing short wavelength light.
- Finally, we designed lightweight frames that maximize adjustability, comfort and protection while fully exploiting the benefits of our technologically-advanced lenses.

FEATURES:

- Polarized lenses reduce glare and better manage light for enhanced depth perception.
- Ultra light frames maximize wear comfort
- Provides 100% protection from harmful UVA, UVB, UVC rays.
- 8 Base lens configuration design provides maximum eye coverage.
- Includes Lens Cloth, Carry Pouch, and Hard Case with hanging clip.

REGULAR SUNGLASSES

CALLAWAY P2X™ SUNGLASSES

Compare our lens against any other sunglass... and See Why You've Been Missing!

C80044

ATLAS [BLACK]

The Atlas is sure to impress at any occasion whether on or off the course! Constructed of handmade acetate frames and metal hinges, the Atlas is the perfect combination of modern styling and quality materials.

C80042

VULCAN [BLACK/GRAPHITE & WHITE/BLUE]

C80041

Take down your competition while looking good! With athletic styling and a lightweight wrap around frame, the Vulcan is a complete package that will perform in any condition on the course.

C80033

MERLIN [GRAPHITE & TORTOISE]

C80034

Technologically advanced and stylistically spot on. Look better, see better, and play better with this modern, stylish frame complete with a sleek matte finish. Combine with Callaway's unique P2X lens technology and the Merlin is pure magic.

FEATURES:

- Polarized lenses reduce glare and better manage light for enhanced depth perception.
- Ultra light frames maximize wear comfort.
- Provides 100% protection from UVA, UVB, UVC rays.
- 8 Base lens configuration design provides maximum eye coverage.
- Includes Lens Cloth, Carry Pouch, & Hard Case with hanging clip.

C80036

GOSHAWK [TITANIUM/BLACK]

Ultra light titanium frame combined with Callaway's unique P2X lens technology makes the Goshawk comfortable to wear while helping lower your scores.

C80035

HARRIER [WOMEN'S LEOPARD]

Fashion and technology have never made a better match! A lightweight, comfortable frame combines with a leopard pattern to make these glasses equal parts stylish & sport. With Callaway's golf-specific P2X lens technology, the Harrier becomes a must have for any female golfer.

C80029

KITE [TORTOISE]

The Kite answers a common question: "Which sunglasses look great on me?" In addition to having the only polarized lenses designed for golf, the Kite makes sure you look good while your scores come down. Features an ultra light and comfortable frame.

C80001

EAGLE [BLACK]

The Eagle represents a true hybrid golf sunglass with a metal front for stability and polyamide injection-molded temples for a lightweight, comfortable fit. Equal parts of sport and style make the Eagle a great all around sunglass.

SLOPE ENABLED ON/OFF

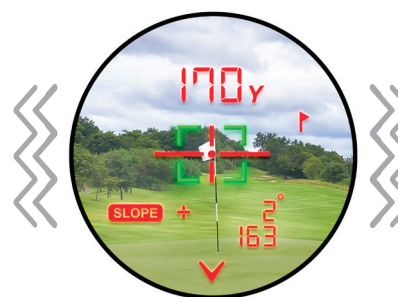

NEW

The **NEW Callaway PROXS Laser Rangefinder** utilizes our most advanced laser technology in one device. Featuring P.A.T. with **Pulse Technology**, and Slope, the PROXS is capable of providing exact distance measurements to virtually any target!

FEATURES

- Slope Technology: Device measures angle of incline/decline then calculates the slope adjusted distance (side button to turn on/off)
- P.A.T. with Pulse Technology delivers a short vibration when the laser hits the pin. Lock on to the pin up to 300 yards away!
- Laser Mode: Scan landscape to acquire multiple targets
- Magnahold: integrated magnets allow for quick access and storage on golf carts
- OLED Red Display
- 7X Magnification; Range 5-1200 yards
- Measure in yards or meters
- Superior accuracy [± 0.5 yard]
- Ergonomic Design
- Water / Fog resistant
- Legal for tournament play (slope disabled)
- Includes premium molded hard carrying case
