TECHNOLOGY

All of our products are built to last and are backed with a LIFETIME WARRANTY. On the rare occasion that you find a defect in a product, we will replace it, absolutely FREE.

Tempercraft products* feature dual walls with a vacuum insulated layer in-between. This technology greatly reduces outisde temperature effects on the contents.

Because Tempercraft products do not sweat, you never have to worry about ugly condesnation rings, using a coaster, or getting your hands wet.

No part of our products are made with BPA, not even our lids or accessories, so there is no concern for chemicals seaping into your beverage or food.

Tempercraft products are made of 18/8 food grade stainless steel for optimum durabilty and prevention of oxidation (rust) and corrosion.

*8oz flask is not double-walled or vacuum insulated
