Dobby Jones®

SPRING 2024

Bobby Jones the brand

The world was introduced to the Bobby Jones brand in 1989. To this day, the brand continues to embody the modern country club lifestyle and celebrate the legacy of Robert Tyre Jones, Jr. The world of fashion is fickle, and rarely do you hear the terms longevity and fashion used concurrently. Simply stated, fashion often fades, but true style endures.

Bobby Jones was a man who embodied excellence, great character, and personal style. These attributes garnered him world-wide notoriety and appeal. Alistair Cooke once said, "On both sides of the Atlantic, he was idolized by people who knew no golf, for his God-given combination of flashing good looks, wry humor, and unflagging modesty. He became, and remained till the day of his death, the First Gentleman of Golf." According to Herbert Warren Wind "There was something about him – how he looked, how he spoke and how he acted – that communicated to non-golfers as well as golfers, and also to people from all walks of life."

We believe longevity is a function of character, integrity, respect, consistency, and an unwavering pursuit of excellence. These are very often the words used to describe Bobby Jones the man, and we are fortunate to have him as our inspiration. These are also the words we use to challenge and guide us in all our endeavors. Every day we strive to uphold these attributes in our product designs, our product quality, and our level of service. We take immense pride in consistently delivering a collection of products that embody a modern and relevant point of view, while delivering on the promise of enduring style. We also strive to continuously celebrate and elevate the life, achievements, and legacy of the man. Our team will work tirelessly to earn your respect, your trust, your business, and your friendship.

Els for Autism Foundation was established in 2009 by Liezl and Ernie Els. Their son, Ben, is impacted by autism spectrum disorder, which affects 1 in 54 children in the U.S. The Foundation offers innovative, evidence-based programs for families and individuals across the lifespan in six focus areas: Education, Research, Global Support, Recreation Services, Adult Services and Therapy Services. The Foundation serves families around the world and offers in-person programs and services at The Els Center of Excellence in Jupiter, Florida.

The American dream is kept alive by those who pursue it. That is why the **Steve Stricker American Family Insurance Foundation** is working to show young people that their dreams are not only attainable, but also well worth the effort. The foundation supports charities, educational initiatives and organizations aimed at building strong families and healthy kids and empowering them to chase and achieve their dreams.

BOBBY JONES
GOLF COURSE

The Bobby Jones Golf Course Foundation, Inc. is led by a dedicated group of volunteers who share a passion for Bobby Jones' legacy and this historic golf course. With the generous support of many donors and sponsors, some of whom have chosen to honor important family members and friends, the Foundation transformed the course into a facility that is committed to making a difference through golf. The re-designed Bobby Jones has become the home of golf in Georgia. This amazing facility includes a revolutionary reversible golf course designed by Bob Cupp, state-of-the-art practice facilities, the Georgia Golf Hall of Fame, the Yates Putting Course, and programming designed to grow the game of golf with a specific focus on juniors and adaptive golfers.
