

IZZO GLI LASER RANGEFINDER

Item#: A99334

Description :

The IZZO Golf GL-I Golf Laser Rangefinder is a versatile on-course tool designed to deliver precision, convenience, and confidence for every shot. With a measurement range of 5–800 yards and accuracy within ± 1 yard, it features P.A.T. (Pin Acquisition Technology) that locks onto the flag up to 275 yards, 6x magnification for clear targeting, and a slope mode with an external switch to adjust distances for elevation changes. Built for ease of use, it includes an integrated magnet for secure cart mounting, water and fog resistance for all-weather play, and i-Caddie technology that suggests the ideal club based on distance to the target, helping golfers make smarter decisions throughout their round.

Order Notes: Stock product is not returnable.
