

IZZO LAUNCH MATE MINI LAUNCH MONITOR

Item#: A99853

Description :

Don't be fooled by its size, the NEW IZZO Launch Mate Mini packs serious performance into a compact design. Using Doppler radar technology, this portable launch monitor accurately measures key metrics including carry distance, swing speed, and smash factor to help golfers track and improve their performance with every shot. With a measuring range of 30–420 yards and a compact footprint for easy storage and transport, the Launch Mate Mini is perfect for indoor practice or range sessions. A hard-shell carry case and four AA batteries are included, making it ready to use right out of the box.

Order Notes: Stock product is not returnable.
