

Item#: A99855

Description :

The Launch Mate Tour is the newest and most exciting launch monitor yet, designed to take your game to the next level with Doppler radar technology that provides accurate metrics including total distance, carry distance, club speed, ball speed, smash factor, apex, attack angle, launch angle, and spin rate. Features include a clear audible distance readout, measuring range of 30–420 yards, selectable club and loft angles, integrated weather data sensors that calculate metrics based on current conditions, a hard-shell carry case, and a rechargeable USB-C lithium-ion battery.

Order Notes: Stock product is not returnable.
