

**Item#: CG24STF-20**

**Description :**

The Telescoping Club Protector is designed to help eliminate virtually all risk of club breakage during travel by absorbing the impact of harsh travel conditions. Featuring a lightweight aluminum body, precision-lock spring-loaded adjustment pins, and a fully adjustable 3-piece telescoping handle, it provides reliable protection and convenience. The soft cushion rubber bottom foot cap adds stability, while the compact design allows it to disassemble easily for storage. Weighing just 1.2 lbs., it is a lightweight and essential accessory for protecting your clubs on the go.
