### Description :

#### Product Description:

Wet, windy weather meets its match in the Eros Zephal Max rain jacket. Innovative fabric combines with performance features to guarantee you'll keep moving despite the rain. The two-layer construction is designed with waterproofing to keep you dry for up to 6 hours of moderate to steady rain, with built-in four-way stretch that moves with you in any weather. A bottom hem and Pro Trim Waist cinching system helps keep warmth in and moisture out. Full zip-front design has waterproof zippers, a welded chinguard, inside wind flap and an in-pocket ball cleaner. Lycra cuffs stay secure during activity.

Waterproof — 25,000 MM rating keeps you dry in up to 6 hours of moderate to steady rain.

Breathable — high 25,000 MVT rating wicks moisture to keep you dry inside and out.

Quick Dry — ZEPHAL™ ShellTech MAX coating allows water to bead up and roll off the fabric, rather than soaking through.
