Alpha Venture Backpack - for the spontaneous traveler. It has a clamshell opening and features mesh internal packing compartments for optimal organization, a hidden passport pocket, a dedicated laptop and tablet compartment, and thoughtfully designed exterior pocket organization. A detachable hip pad at the base of the bag transforms into a sling bag - leave your venture backpack behind and take the sling bag on your daily outings. This transformer of a bag ensures smooth adventure transitions and is designed to make traveling smarter, so you're always ready for the next venture.
