LAUNCH MATE FAMILY PERSONAL LAUNCH MONITORS

Elevate your game with the Launch Mate family! From the ultra-portable Launch Mate Mini to the feature-rich Launch Mate and the professional-grade Launch Mate Tour, each device harnesses Doppler radar technology to provide precise, real-time shot feedback. Track key metrics like carry distance, club and ball speed, and smash factor. The Tour model adds advanced metrics, including spin rate, launch angle, and more. Whether practicing indoors or at the range, there's a Launch Mate tailored to your game and goals.

THE IZZO LAUNCH MATE SENSES BOTH YOUR SWING AND BALL FLIGHT FOR THE MOST ACCURATE READINGS, WHILE COMPARABLE COMPETITIVE MODELS ONLY SENSE YOUR SWING.
