

Item#: 26S08MP

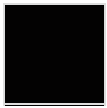

Description :

This garment features Omni-Wick™ technology that wicks moisture away from the skin and moves it to the fabric's surface for quick evaporation, helping keep you dry, cool, and comfortable in warm conditions. Omni-Shade™ UPF 30 protection helps shield your skin from harmful UVA and UVB rays through a tight fabric construction and specially modified fibers. Sewn-in collar stays help maintain the collar's shape and prevent sagging, while the collar stand allows it to lay smoothly against the neck. A button-up placket adds a classic look and offers versatile styling options.
