

FOOTJOY THERMOSERIES FLEECE BACK VEST

Item#: 29110

Description :

The ThermoSeries Fleece Back Vest is part of our most advanced and versatile layering system, engineered to adapt as weather conditions change so you can look, feel, and play your best in any environment. A wind-resistant, water-repellent woven front panel provides lightweight protection from the elements, while a soft waffle fleece lining delivers exceptional warmth, breathability, and unrestricted mobility. Designed as a versatile mid-weight layer, it offers reliable comfort and performance throughout your round. Made from 100% polyester.

Order Notes :

Stock product is not returnable. FootJoy will be undergoing a technology upgrade the first week of August. Lead times may vary. Call customer service for complete details.
