Description :

Crafted from a premium blend of 88% polyester and 12% spandex, the FootJoy ProDry® Performance Golf Shirt combines contemporary style with advanced performance for exceptional comfort on and off the course. Exclusive ProDry® fabric quickly wicks moisture away from the body to regulate temperature and keep you cool, dry, and comfortable, while the anti-microbial finish helps reduce odor buildup. The easy-care fabric is machine washable with minimal wrinkling or shrinkage, making this imported performance polo an excellent choice for every round.
