

**Item#: A29000**

**Description :**

Pick up your golf ball from the green with ease using the IZZO Golf Ball Grabber, designed to eliminate the need for bending over after every putt. This low-profile accessory securely attaches to the butt end of any putter grip using a built-in metal screw, allowing for quick and convenient use without damaging your equipment. The durable three-pronged claw design firmly grips the golf ball for reliable pickup and retention, making it simple to flip your putter and retrieve your ball comfortably and efficiently. A practical on-course tool that adds convenience to every round.
