**Description :**

Elevate your golf game with the Swami 7000i Touchscreen Golf GPS Rangefinder, a feature-packed device designed to deliver accuracy, convenience, and confidence on every round. Preloaded with over 38,000 courses worldwide and requiring no subscriptions or downloads, the Swami 7000i features a bright 2.5-inch color touchscreen with intuitive swipe controls for easy access to distances to the front, center, and back of the green, along with layup and carry distances to hazards and doglegs. Advanced features including Auto-Hole Advance, Shot Distance Measurement, a Digital Scorecard, and I-Caddie club recommendations help golfers make smarter decisions, while strong internal magnets, a water-resistant design, and a rechargeable USB-C lithium-ion battery with up to 16 hours of playtime provide lasting convenience on the course.
