Description :

The Square 2 Square Jailbird Cruiser is a classic Odyssey shape, it features our Versa alignment and is our hottest shape going right now. With its modern center shafted design this putter balances toe up which makes it inclined to stay square to your path throughout your stroke. This putter features our Ai-ONE insert with an aluminum backer and White Hot urethane striking surface and our SL 140 Stroke Lab steel shaft. This version has a 380 gram head and is built at 38" with a 17" grip intended to be choked up on. This configuration makes this center shafted putter extremely stable.
