### Description :

#### Description:

The Sunday Golf Ryder Storm Ryder 14 Club 5-Way Stand Bag is a premium, weather-resistant version of the standard Ryder bag, built for golfers who want full-size capacity with added protection from the elements.

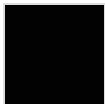

It features a 5-way top divider that holds up to 14 clubs, keeping them organized and easy to access, while maintaining a relatively lightweight and carry-friendly design. What sets the *Storm Ryder* apart is its weatherproof construction, including welded waterproof pockets and water-resistant zippers that help keep gear dry in rain or damp conditions.

Additional features typically include multiple storage compartments (such as an insulated cooler pocket, valuables pocket, and apparel storage), a stable stand system, and comfortable dual straps—making it suitable for both walking rounds and cart use.
