#### Product Description:

A sophisticated blend of style and performance, the Performance Jacquard Dash Short-Sleeve Sport Shirt offers an elevated take on classic sportswear. Featuring a refined jacquard dash texture, this shirt provides a subtle yet distinctive pattern that enhances its premium appeal. The lightweight blend of 96% polyester and 4% spandex ensures optimal four-way stretch, moisture-wicking performance, and breathability, making it a go-to option for warm-weather wear.

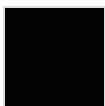

Designed for versatility, this shirt includes UVA/UVB protection to shield against harmful sun rays, while an anti-microbial treatment at the yarn level guarantees long-lasting freshness. The self-fabric collar delivers a crisp, structured look, complemented by a full button-up placket for a polished silhouette. A clover embroidered logo on the placket adds a subtle, distinguished touch, while the side vent detailing at the hem enhances breathability and movement.
