Product Description:

A modern take on classic performance wear, the Performance Seville Print Polo blends timeless sophistication with cutting-edge comfort. Crafted from a smooth, lightweight fabric blend of 92% polyester and 8% spandex, this polo delivers stretch performance, moisture management, and enduring shape retention.

Engineered with anti-microbial treatment at the yarn level, it ensures long-lasting freshness — ideal for active days on and off the course. UVA/UVB protection adds another layer of defense during sunny rounds.
