

Item#: BJ232638

Description :

Precision defines the Performance Axis Polo, featuring fine diagonal lines that intersect to create a subtle diamond-grid pattern. Made from 92% polyester and 8% spandex, the lightweight jersey fabric provides four-way stretch, moisture-wicking breathability, easy care benefits, and odor-resistant properties while resisting wrinkles for a smooth, polished appearance. The fabric also offers UPF 50+ sun protection. The shape-retaining CloverStay Collar™ helps maintain a crisp look, while the three-button placket adds structured style throughout the day. Machine wash with like colors and tumble dry low. Do not iron or dry clean. Imported.
