Description :

Fluid, wave like linework creates subtle movement across the Performance Ripple Polo without overpowering its clean golf silhouette. Made from 92% polyester and 8% spandex, the lightweight jersey fabric provides four-way stretch, moisture-wicking breathability, wrinkle resistance, easy-care benefits, and odor-resistant properties for comfortable performance throughout the day. The fabric also offers UPF 50+ sun protection. A three-button placket and shape-retaining CloverStay Collar™ complete the crisp, polished design. Machine wash with like colors and tumble dry low. Do not iron or dry clean. Imported.
