

Item#: BJ232640

Description :

Inspired by decorative tilework, the Performance Seville Print Jersey Polo features a finely scaled geometric mosaic that adds rich color and dimension to a classic golf silhouette. Made from lightweight 92% polyester and 8% spandex jersey, this polo provides four-way stretch, moisture-wicking breathability, wrinkle resistance, and odor-resistant properties for lasting comfort and a smooth appearance. UPF 50+ sun protection offers added coverage, while the shape-retaining CloverStay Collar™ provides a crisp, polished structure. The three-button placket completes the classic design. This polo is machine washable with like colors, should be tumble dried low, and should not be ironed or dry cleaned. Imported. Designed in a Classic Fit; if between sizes, sizing down is recommended.
