

Item#: BJ232644

Description :

The Performance Swirl Polo features a subtle tonal pattern of repeating circular swirls that appears understated from a distance and richly detailed up close. Made from lightweight 92% polyester and 8% spandex jersey, this polo provides four-way stretch, moisture-wicking breathability, wrinkle resistance, and odor-resistant properties for lasting comfort and unrestricted movement. UPF 50+ sun protection offers added coverage, while the three-button placket and shape-retaining CloverStay Collar™ maintain a crisp, polished finish. This polo is machine washable with like colors, should be tumble dried low, and should not be ironed or dry cleaned. Imported.
