Product Description:

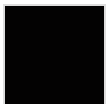

The Performance Dash Jacquard Hoodie is built for versatility, offering a lightweight, breathable feel with a refined jacquard texture. Whether you're on the course, at the gym, or relaxing, this hoodie delivers all-day comfort with a sleek, modern look. The four-way stretch fabric ensures a full range of motion, while the attached hood provides added coverage for cooler days. Subtle branding with the Bobby Jones Clover Logo embroidered above the hem adds a touch of signature style.

Designed with UPF protection, this hoodie helps shield you from harmful UVA/UVB rays, making it ideal for outdoor activities. Its moisture-wicking fabric keeps you dry, while the anti-microbial treatment at the yarn level helps prevent odor buildup for lasting freshness. Made from 96% polyester and 4% spandex, this easy-care, machine-washable hoodie is a must-have for any active wardrobe.
