Description :

Description:

It might be the same size as a normal golf ball, but the Odyssey Weighted Putt Balls are 5x the weight as a regulation ball. If you're looking to improve stroke acceleration, the weighted putt ball is the way to go. Advance your putting game in terms of speed and contact. After practicing with these weighted balls, you're sure to improve your force and correct your miss-hits.

- 5x the weight of a normal golf ball; soft rubber coating won't damage putter face
- Promotes an accelerating stroke & affirmative strike
- Immediate feedback on off-center strikes to develop solid contact
- Helps stop deceleration
