**Description:**

The Bridgestone Custom 62" Umbrella is a large, golf-style umbrella designed for both weather protection and promotional use.

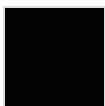

- 62-inch canopy (arc): Extra-wide coverage, big enough for 1–2 people—ideal for golf or heavy rain.
- Fiberglass frame: Lightweight but strong, built to handle wind and rough conditions.
- Comfort grip handle: Typically made of rubberized material for a secure, non-slip hold.
- Customizable design: Often used for corporate branding or events, with space for logos or graphics.
- Golf umbrella style: Long shaft, non-collapsible design for maximum durability and coverage.

It's a sturdy, oversized umbrella mainly used on golf courses or as a branded promotional item, combining durability, wide coverage, and customization options.

**Order Notes:**
