

Item#: DFX-1

Description :

The Odyssey DFX putter is designed to provide an exceptionally soft feel and smooth roll, making it ideal for golfers who prioritize touch and consistency on the greens. It features Odyssey's DFX insert, their softest face insert technology, engineered to be softer than the White Hot insert to deliver a quieter impact sound and improved feedback, especially on shorter putts. The line is offered in multiple head shapes, including blades, wider-body blades, and high-MOI mallets, allowing golfers to match their stroke style. A premium all-black finish reduces glare, while alignment features such as lines, shapes, or the 2-Ball system help improve aim and setup consistency.

Order Notes: Minimum order quantity is 6 putters. Odyssey is unable to ship via FedEx and ships via UPS only.
