

# IZZO FLATBALL SWING TRAINER

## Item#: FB-401

### Description :

Improve your swing plane and make every practice session more effective with the IZZO Golf Flatball Swing Training Aid. Shaped like a golf ball but designed to challenge your swing mechanics, the Flatball provides instant feedback by revealing swings that are too steep or too shallow. As your contact improves, you'll build the consistency needed to eliminate fat and thin shots on the course. Made from soft, flexible rubber for safe indoor or outdoor use, the Flatball is easy to carry in your golf bag, making it the perfect training aid for the range, backyard, or home practice.

### Order Notes :

Stock product is not returnable.
