

Item#: GG625

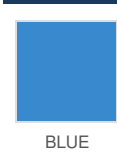

Description :

Crafted from a premium blend of 85% polyester and 15% spandex, this performance polo features knitted four-way stretch fabric for unrestricted movement throughout your swing. The structured collar keeps a crisp look after repeated wear and washing, while the quick-drying, moisture-wicking fabric helps keep you cool, dry, and comfortable. Built-in UPF 50+ broad-spectrum sun protection and anti-odor technology provide lasting freshness and all-day performance. Machine wash cold with like colors on a gentle cycle and tumble dry low. We recommend washing before first wear, as some printed garments may transfer color before the initial laundering.
