Description:

Introducing the S2G 26 Leather Spikeless Golf Shoes, designed to bridge the gap between street style and golf performance. These shoes offer a seamless transition from urban landscapes to the green, embodying the spirit of the Street 2 Golf design story. Engineered for turf, they feature a regular fit with a lace closure, ensuring a snug fit that's perfect for every swing.

These shoes are equipped with Lightstrike technology, providing lightweight cushioning that reinvents your expectations of comfort. The ADIWEAR rubber outsole delivers durability and traction, making them ideal for both casual walks and powerful drives on the golf course.

With a synthetic and leather upper, these shoes offer a stylish yet functional exterior, while the textile lining ensures comfort throughout the day. The S2G 26 Leather Spikeless Golf Shoes are a testament to adidas' commitment to blending style with performance, making them a must-have for those who value both aesthetics and functionality in their footwear.
