

VESSEL PLAYER V 6-WAY STAND BAG

Item#: PLYRV25-6

Description :

The next generation of golf’s most awarded stand bag, the Player V is here to give you the ultimate carry experience. From the hidden valuables pocket to the beverage compartments, each pocket has been carefully designed and placed to improve organization, accessibility and on-course convenience.

The Player V utilizes VESSEL's patented technologies (Equilibrium Double Strap and Rotator Base) for maximum balance and superior stability. Intentionally placed high strap-attachment points promote further balance and eliminate club fallout while the bag is being carried. A key feature upgrade is the addition of a cart strap pass-through for added protection on a cart or trolley. The Player V showcases our signature attention to detail through premium trims and tour-grade materials so you can look and play your best.

Order Notes :
