

SUNICE LADIES ZEPHAL ELITE WATERPROOF JACKET

Item#: S42505

Description :

Product Description:

Performance and innovation define the 2.5 layer construction. Designed with waterproofing to keep you dry through 5-6 hours of moderate to steady rain, yet it's the optimal mobility of hyper four-way stretch that makes this one soar high above most rain jackets. A stretch tricot liner adds an extra layer of weather protection and comfort. The unique RepelTX™ coating allows water to bead up and roll off the fabric, rather than pooling and soaking through. Streamlined full-zip design with custom lockdown pull, laser-cut zippered pockets, in-pocket ball cleaner and action cuffs with Velcro tabs.
