

# SUNICE ELEMENT SHIELD WEATHERPROOF HYBRID VEST

## Item#: S54100

### Description :

#### Product Description:

Water-repellent and surprisingly light, this unlined lightweight wind vest is made of innovative, densely woven fabric for superior breathability and wicking attributes. That's good news in windy, misty conditions. What's more, this full-zip vest features ripstop stretch and two-layer construction for added comfort and weather protection. Side pockets let you securely stash valuables.

Breathable – wicks moisture to keep you dry inside and out.

Quick Dry – WxTech™ coating allows water to bead up and roll off the fabric, rather than pooling and soaking through.

Wind Protection – densely woven for total wind protection.

- Front: 94% Nylon, 6% Spandex
- Back: 84.5% polyester, 15.5% Spandex
- Machine wash
- Imported

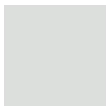

#### Order Notes:

- Stock product is not returnable.
