**Description:**

The modern mix of high speed and low spin, new Pro V1x Left Dash is faster, longer, and more penetrating in the wind. Why Play Pro V1x Left Dash? The modern mix of high speed and low spin, new Pro V1x Left Dash is faster, longer, and more penetrating in the wind. Comparison to Pro V1. Due to its unique dimple pattern, Pro V1x Left Dash has a higher flight than Pro V1. A smart-spin casing layer with added thickness produces lower long game spin than Pro V1.

Pro V1x Left Dash Enhanced Alignment golf balls feature a premium extended three-line alignment design for more precise aim and accuracy. The elongated sidestamp provides a built-in visual aid measuring over 65% longer than the Titleist standard sidestamp.
