

VESSEL MAGNETIC GOLF TOWEL (5" X 5")

Item#: TW0225

Description :

Keep your golf clubs and equipment clean with the Magnetic Golf Towel. Trusted by tour professionals and their caddies, this towel is crafted from soft, moisture-absorbing microfiber that can hold up to 400% of its weight in water. A waffle texture easily removes dirt from hard to reach crevices such as club grooves and golf ball dimples, yet is gentle enough to polish glasses, chrome and other delicate surfaces without scratching. The strap allows you to conveniently clip the 5" towel to any towel-or-D ring on your golf bag. The Magnetic Golf Towel also features a strong magnet that can be picked up with your golf club or "stuck" to the posts of a golf car.

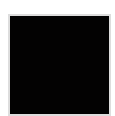

Order Notes :

Stock product is not returnable. Vessel will not ship on a 3rd party account.
